What could be more important and practical than learning the fundamentals of life based on God's Word? Accounting for Life-A Journey Heavenward illuminates these timeless principles of the Bible so that we can account to God for our actions, words, thoughts, and deeds in all facets of life (spiritual, physical, emotional, and financial), thus maintaining a godly relationship with the Lord as we journey Heavenward. Financial Advisor Tess Paje directs the reader to Biblical guidelines for relationships, ministry, emotional health, character development, prayer, and much more while recounting her own very personal journey to a life of faith and accountability to God. In Accounting for Life, Tess Paje sets forth important Biblical principles for living that have been tested by a lifetime of experiences-both good and bad. Tess's infectious passion for knowing and applying the Word of God challenges us to make our lives both accountable and joyful as we journey heavenward. Jarl K.
