

God Loves Doctrine (Paperback)

By Moreno Dal Bello

Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. DOCTRINE! It is one of the most despised words among many who consider themselves Christians. It is hated because it is considered to be that which divides Christians, causes strife and prevents unity among the brethren. Doctrine divides, they say. We need unity etc. This all sounds so nice and is readily accepted as the Christian thing to do, and that it pleases God so much to see people casting aside their differences, respecting each other's point of view and endeavouring to live in ecumenical bliss. Doctrine DOES divide; it does separate. It divides God's children from the children of wrath; it separates God's sheep from the cursed goats, and it differentiates between God's wheat, and the Devil's tares. It is by doctrine that one can know God-Who He is and what He has done. It is through doctrine that God reveals Himself.
