Or, is it In this book, Charles Spann, founder of Vision Through Faith Ministries, proves that a blind man can see spiritually. He explains how God used his infirmity to reveal things that a man with 20/20 vision could never see. He describes in incomparable clarity the visions that God has allowed him to have, all in an attempt to bring glory to God by sharing his revelations. Minister Spann uses firsthand experiences to prove the existence of God and angels, as well as the existence of demons and hell. Additionally, he discusses God's ability to see in the dark, and even delves into the church's involvement in 9/11. This book deals with issues that churches are afraid to deal with. However, Minister Spann deals with them in a way that brings clearness to subjects that have been ignored. This book is a must have for those who want to grow spiritually. Via the power of the Holy Spirit, it will transform the lackadaisical Christian into one that is in constant pursuit of a deeper relationship with God. This item ships from multiple locations.
