

One Thousand Literary Questions and Answers (Classic Reprint) (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Pearl Corwin)

ONE THOUSAND LITERARY QUESTIONS AND ANSWERS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from One Thousand Literary Questions and Answers The purpose of this volume is to provide teachers of classes in literature with material for varying the regular lecture or recitation work. While not adapted to elementary grades, either in subject matter or wording, it affords all students of literature from high school to university rank, and all readers, from those who confine their attention to the current magazines to those of the acknowledged classics of the language, an opportunity to test the range of their information, and to reinforce their impressions with supports of correct data. It aims, by interesting questions, to introduce novelty among those facts of literary history which, taken in monotonous succession, seem commonplace and unimpressive. These queries and answers, in modified form, appeared serially in Educational Foundations during the past three years. Their cordial reception in that journal, and the words of encouragement given by its editor, William Charles O Donnell, Jr., lead to their publication in book form. If the educators of our land here find inspiration and help, and the general reader new incentives to read the best literature, then I am well repaid for the labor of compilation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
