

Splendid Failure: Postwar Reconstruction in the American South

By Michael W. Fitzgerald

Ivan R Dee, Inc. Paperback. Book Condition: new. BRAND NEW, Splendid Failure: Postwar Reconstruction in the American South, Michael W. Fitzgerald, Michael W. Fitzgerald's new interpretation of Reconstruction shows how the internal dynamics of this first freedom movement played into the hands of white racist reactionaries in the South. Splendid Failure recounts how postwar financial missteps and other governance problems quickly soured idealistic Northerners on the practical consequences of the Radical Republican plan, and set the stage for the explosion that swept Southern Republicans from power and resulted in Northern acquiescence to the bloody repression of voting rights. The failed strategy offers a chastening example to present-day proponents of racial equality.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
