The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.This one-of-kind book started with my very first poem I wrote, the My Alcoholism poem. I awoke one morning in March, 2009, at about 5:00am, with this poem in my head. So as not to forget, I went to the computer room and wrote it down on paper in about 15 minutes. I was not fully awake and proceeded back to bed. After morning breakfast and coffee, I took my daughter, Hannah, to school for the day. I came back home and put this poem into the computer, 99 pure from the first format. I proceeded in the months that followed to have many more inspirations from my Higher Power. This book is the result of me following direction and using His Will. In spite of my lack of talent and no experience, this book was completed, and I do believe it is a miracle. He provided me with 24 poems, to equal the 12 steps and 12 traditions of our program. I don t believe this to be a coincidence, and in reading this book I hope you will agree. As in our pre-amble primary purpose, I am staying sober today while doing this project, and I hope to help another member to achieve their sobriety. I wish all of you to enjoy this gift from our Higher Power.
