### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

The public exercises were ordered by the Board of Commissioners, to whom appertains the general superintendence of the Institution; who elect all the Officers, Professors, Tutors, Trustees, and others entrusted with the immediate administration of its concerns. The sermon and the charge were delivered by the brethren respectively and regularly designated to the service; who have kindly consented, not without some reluctance at the unexpected request, to submit their manuscripts for publication.
