

The Restless Sleep : Inside New York City's Cold Case Squad

By Horn, Stacy

Bantam Books, 2006. Paperback. Book Condition: New. 12mo - over 6¾" - 7¾" tall. Brand new. IN NEW YORK CITY, SINCE 1985, NEARLY 9,000 MURDERS REMAIN UNSOLVED. These cases are never closed but they can - due to passage of time, lack of evidence, loss of investigative momentum - go 'cold'. And when this happens and the world seems to have moved on, it falls to one small, elite NYPD unit to offer hope of resolution. Its purpose is to rescue these near-forgotten victims from oblivion, to answer the question: who were they? What happened? And who did this to them? - and in finding justice, lay their troubled ghosts to rest. It is The Cold Case and Apprehension Squad. The Restless Sleep is Stacy Horn's riveting, at times harrowing, account of the two years she spent working with New York City's Cold Case Squad. Revealing the real-life subculture of crime solving that inspires and informs television series such as CSI and Waking the Dead, it is a new classic of true crime.

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

-- **Desmond Becker**

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).
