What s All the Fuss about .? an Introduction to Doctor Who. (an Unofficial Doctor Who Companion.) (Paperback)

By Will Hadcroft, Ian Wheeler

Fbs Publishing, United States, 2015. Paperback. Book Condition: New. Owen Claxton (illustrator). 202 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.Who is the Doctor, what are the Daleks and why is the TARDIS a police box? Here is a television programme that has been running for over fifty years and has seen twelve different actors play the title role, each a unique incarnation. Why are people so devoted to this phenomenon? What is all the fuss about? Will Hadcroft and Ian Wheeler present the basics, with an overview of each Doctor s era and recommended stories to try, delivering the essential information that you need to know, your introduction to a television legend. It is the perfect beginners guide for anyone wondering where to start, and equally suited to the die-hard fan who wants be reminded of and relive the very best bits all over again. Will Hadcroft watched Doctor Who avidly from the age of seven and became rather obsessed with it throughout the 1980s. He fantasised about being a writer like series scribe Terrance Dicks. He is the author of the Anne Droyd children s books, the young adult novel The Blueprint,...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
