Little, Brown Company, United States, 2014. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. What happens when you find the right one at the wrong time? Cara Medlen has a serious case of animal attraction. And it's not because of all the foster dogs she's rescued. She's got it bad for her incredibly sexy neighbour. Her one rule: Don't get attached. It's served her well with the dogs she's given to good homes and the children she's nannied. Yet the temptation of Matt's sexy smile might just convince her that some rules are made to be broken. Matt Dumont doesn't need his skills as a private investigator to detect disaster on the horizon. Cara is everything he thought he'd never find - gorgeous, funny and caring. But there's no way he can start a relationship just as he's about to move to another state. Talk about bad timing. As their attraction sizzles too hot to deny, they'll have to make a decision: forget the consequences and let loose, or forget each other and let go.
