Silent Autumn (Paperback)

By Gary Gentile

Gary Gentile Productions, United States, 2006. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Dane was born on an Earth that was environmentally unsound: the result of industrial pollution that has encompassed the entire planet. He left to become a starship pilot. After a successful career, he returned to the planet of his birth to help his sister settle the estate of his parents, who have recently died. As the book opens, he is departing from Earth for the last time, in order to accept a job as the pilot of a revolutionary new galactic explorer called the GOMod-1 (Galactic Odyssey Model One). Sandy is an astrophysicist who was born and raised on the Settlements: giant, cylindrical space stations or platforms that occupy Lagrangian points in Earth's orbit. She has discovered a stelllob - a stellar object - which could possibly be a neutron star in the making. Dane and Sandy leave the space platform for the new platform being built by Brunel, in the location of the Trojan satellites in the orbit of Jupiter. Here they meet for the first time the genius if somewhat temperamental man of...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
