Farcountry Press, United States, 2005. Paperback. Book Condition: New. Elijah Brady Clark (illustrator). 214 x 149 mm. Language: English . Brand New Book. This charming tale of Michael, Emily, and their parents as they explore each national park and discover scat and tracks is designed to both entertain and educate. Wildlife can be elusive, and both kids are disappointed when, at first, they don't encounter many animals in the park. The kids quickly learn, however, that there are animals all around, and these creatures leave behind scat and tracks. Before long, the kids are able to identify animal tracks and determine what a creature has eaten recently. Colorful illustrations of animals and their scat and tracks supplement this lively tale, and a quick-reference chart at the back will make field identification a breeze!.
