Listening to the Sea: Politics of Improving Environmental Protection (Hardback)

By Robert J. Wilder

University of Pittsburgh Press, United States, 1998. Hardback. Book Condition: New. 235 x 157 mm. Language: English . Brand New Book. Environmental politics and policy, while gaining a significant place in the nation s consciousness, constantly comes up against the United States desire for more development, more profit and a collective lack of foresight. Nowhere is this more evident than in the crucial biodiversity of the world s oceans, which are victim to pollution, overharvesting, habitat destruction, and simplistic and fragmented environmental policies that do not speak to underlying problems. Robert Wilder describes how management of the world s oceans and their ecosystems has long faced two principal obstacles. The first is the seemingly infinite capacity of human apathy - something that permits us to take the sea s comfort, sustenance, ecological services and integrity for granted. The second is the myriad lines for rigid offshore jurisdiction. That people believe the diversity of life on land should be protected is reflected in well-publicized efforts to save the celebrated biodiversity of rainforests. Far less is known, however, about protecting a far larger two-thirds of this planet - the oceans. Drawing on academic literature and practical experience, Wilder illustrates the nature of...
