Scribe Publications. Paperback. Book Condition: new. BRAND NEW, Little Caesar, Tommy Wieringa, From international best-selling author Tommy Wieringa comes a rich and engrossing novel about a man on an odyssey in search of answers about his dysfunctional artistic family and the legacy they left behind. When Ludwig Unger returns to his hometown after a decade, he arrives with a plastic bag filled with his mother's ashes and little else. He was there to make amends with his lonely past, to say good-bye to the familial ghosts that still haunted him. Raised in a cliff-top cottage on the east coast of England, his mother had done her best to create a normal life for him after her megalomaniac husband left them to pursue his art. Ludwig grew up in her shadow, developing an obsession with her and her sensual allure. But when he discovered her past life as the famous porn star Eve LaSage and her plans to stage a comeback, Ludwig's world span out of control. He soon finds himself homeless, shouldering the shame of his mother's career, and embarking on a journey that takes him from LA to Prague to El Real. Little Caesar is a story of beauty and decay, of filial loyalty and parental betrayal, and of the importance, in the end, of self-sacrifice.
